

PROPPER® ARMOR

ARC

Lightweight and modern, the ARC plate carrier features easy-on, easy-off quick release on both sides and laser-cut MOLLE all around for simple pouch attachment. Accepts soft and hard plate ballistics.

- Laser-cut platform significantly reduces weight and bulk
- 4" x 9" front and back loop fields
- Ergonomic shoulder pads
- Extendable drag handle for easier carry
- FirstSpear Tubes™ Rapid-Release technology
- Vent chambers on front and back
- Compatible with MOLLE/PALS attachment systems
- Front and back loop fields for identification
- Front accepts SAPI and Shooter cut plates
- Back accepts SAPI, Shooter and full size plates
- Made in USA
